

# St Mary's Newsletter

September 2018

*The staff and I are looking forward to another outstanding school year. I hope you have had a wonderful and relaxing summer break.*

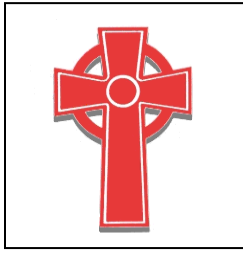

*During the summer there has been improvement made to our school environment: painting, new carpets, essential electrical work and obviously the car park. The lighting will be completed very soon, ready for the dark winter nights. Markings are extremely clear; please adhere to the correct parking bays and comply with the no parking areas, in order to make the car park a safe environment for everyone.*

*A new school year is always an exciting time for children, parents and staff. We will be holding many events and activities throughout the year and some of these are included in our draft school calendar. Later this year, we will also be installing a small amphitheatre, outside table tennis and a new PE store. Thank you once again for your generous support and fundraising.*

*If you have any concerns or queries, please do not hesitate to make an appointment to see myself or your child's teacher.*

*I hope to meet as many of you as possible over the next few weeks and we welcome all our new children and their families as they start their learning journey with us.*

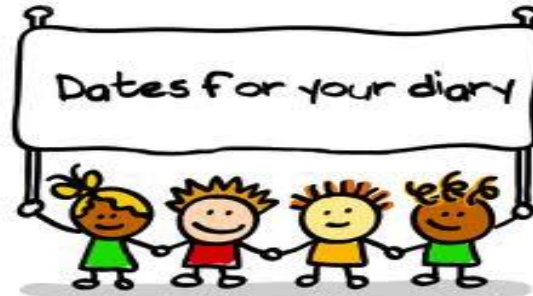

*God Bless  
Mrs Julia Pearce*

# St Mary's Newsletter

September 2018

- |                             |  |
