

Dear Parents,

I am writing to you on the day that should be the end of term for all of us and we should have holiday plans to look forward to.

Sadly this is not the case as we are still all adjusting and need to temporarily adjust again over the 2 week holiday break.

School remains open to children of Keyworkers over the Easter break. Thank you to our amazing staff for your contribution and allowing Keyworkers to continue their vital work.

For all the Homelearners, please remember to have some downtime - perhaps less 'formal' Homelearning.

There are so many eggciting (sorry couldn't resist) activities that you can do at home, in preparation for Easter. Have fun!

Staff are planning to record Stations of the Cross over the next week and upload to Twitter, something the children will recognise as familiar Easter preparation and prayer.

I will continue to update over the holidays.

Remember St Mary's Family, stay strong and safe.

God Bless,

Julia Pearce
