

Dear Parents

I hope you are all enjoying the warmer weather, either through your daily exercise or your own outdoor space. It is lovely to see some blue sky and sunshine.

School is open for a small number of pupils and we continue to deliver packed lunches twice a week to those families in need.

If, as a result of Coronavirus, your circumstances have changed significantly (financially) please contact me at [head@st-marys-royston.herts.sch.uk](mailto:head@st-marys-royston.herts.sch.uk). We may be able to help through access to the foodbank or our deliveries. This is an offer to families who are in real difficulty ie. no income, awaiting confirmation of benefits or a government grant scheme.

As you are aware, this is Holy Week; please be assured of our prayers for the entire St Mary's Family.

Stay strong, keep safe and well.

God Bless

Julia Pearce
