Bringing us together | when we are apart

Join us as we bring the whole community together to have some fun, get up and get moving and **'Dance with us'** virtually during the week commencing 22nd March.

As our students can't visit you in school as we normally would, we want to bring the fun to you virtually in your homes!

The NHC students' Dance with us event is a fun and interactive event that the whole family can join in, whatever your age. As part of our event, you will get access to video tutorials from our students demonstrating the dance moves which you can copy at home during the Dance with us event.

Step 1

Join our Facebook event.
All information and tutorials
will be posted here
