Dear Parents,

Please find attached details of a Stairs and Skipping Challenge that is being run through our School Sports Partnership.

Please send in any results to me directly so that I can collate all class and school results as well as recording your individual and family results using the links provided. Please add your child's name, year group and activity to the email so that I can record results correctly for each class as we have several events going on at the moment.

If you require a skipping rope please let me know and I will get one to you.

If you do want to add any photos that I could use on the school Twitter account that would be great too.

Best Wishes

Miss E Chapman
