

Dear Parents/Carers,

We hope you are all well.

Following the changes that have recently been announced by the Government, we are currently in the very early stages of planning how we can return some children back to school on a part time basis.

These changes will not take place until after half term and we have made all the necessary risk assessments to ensure that safety of all is at the forefront of any decisions we make.

I will be working closely with our Governors and other Head Teachers from the Diocese of Westminster Academy Trust. I will keep you informed as our plans progress.

Although the Governments advice is to encourage people back to work from tomorrow, the school remains open to only children of critical workers **until after half term.**

It is essential that we put into place stringent Health & Safety measures before we allow any children back to school, accordingly we will **not** be open in the Half Term Holidays for any pupils.

God Bless,

Julia Pearce

Head Teacher
