

Dear Parents,

Evening to you all. I have watched the Prime Minister's announcement tonight as I am sure many of you have. I can confirm that sadly school will close on Friday for an indefinite unknown length of time.

The additional announcements of remaining open to the children of key workers and vulnerable children has, as yet, no guidance. As head teachers, we are and have been working together to implement any guidance as it emerges. I will update you tomorrow with more details.

Information regarding home learning will be sent out tomorrow, staff have been busy preparing resources online either Tapestry for EYFS or Purple Mash for the other year groups. Guidance on use of this and individual class letters will be sent out tomorrow.

Collecting arrangements for tomorrow are the same as announced today, early pick up from 2pm if possible.

The staff family are struggling to come to terms with this catastrophic global pandemic, our children have been amazing this week, as have you.

Thank you to our entire school community for your collective incredible strength and care for one another. We need to support each other through the coming unprecedented times. Stay well and positive.

God Bless

Mrs Julia Pearce

Headteacher
