

ST MARY'S
Catholic Primary School

Melbourn Road, Royston, Hertfordshire SG8 7DB Tel: (01763) 246021

Dear Parents and Carers,

Over the next few weeks I would like you to continue working with your children at home. I hope that the following information will help and support you with this.

Our current points of focus are:

- Literacy – Daily reading (at least 15 minutes) and comprehension (questioning about what has happened so far in the book, what might happen next, etc). Suggested Year 4 reading list attached. Spellings will appear on Purple Mash weekly. Writing skills- narrative, instructions and explanations.
- Maths – Topic based work will appear on Purple Mash weekly. Times tables (1-12). Please continue to use the multiplication online game - <https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check>

For other topics please look out for weekly suggested work on Purple Mash.

- Science – States of Matter
- Geography – Rivers and coastal regions in the UK
- French-Ask and answer questions about rooms in a house

- RE – Jesus the Saviour and The Easter Story
- PE – Multi-skills (throwing, catching, running, etc)
- ICT – Creating own games on Scratch 2. Scratch 2 can be downloaded for free from the following link - <https://scratch.mit.edu/download/scratch2>

Your child's Purple Mash password has been stuck into their reading record books. Your child still has tasks to complete on the Spring 2 Homework Grid.

Please be reminded that we have regular breaks throughout the day and some of our lessons are active and take part outside.

God bless and stay safe.

Yours sincerely,

Mrs G Dunbar
Year 4 Class Teacher
