

Dear Parents,

Welcome back to what would have been the start of the Summer term. I hope you are all keeping well and managed to enjoy the beautiful weather and family time together over the Easter break.

In the last few weeks we have been looking at how we can move our home learning forwards, as we now know this will be continuing for at least another few weeks. We have discovered the Seesaw system. This is a completely new system to us so the Year 6 log ins have been sent out and they are trialling this for us before it goes live to the rest of the school on **Monday 27th April**. Each child has their own log in, which will be sent to you via ParentMail this week.

BBC Bitesize have launched their own home learning activities starting today and the teachers have set new Purple Mash tasks to support the children this week.

We are excited about the launch of this new system and hope the children will enjoy using it with us to learn together.

God Bless,

Mrs Julia Pearce
