

ST MARY'S
Catholic Primary School

Melbourn Road, Royston, Hertfordshire SG8 7DB Tel: (01763) 246021

Dear Parents,

As a school we subscribe to Teach Active, a resource for active learning. Through this we are offering you a free login for you to use with your child at home.

Simply click on the link below, select your child's year group, then the area of maths and a choice of activities will be there. You can download them as PDFs, print them, or view them on your tablet or device.

<https://www.teachactive.org/my-account/?code=MP5XL>

Most activities can take place indoors or outdoors. There is a minimal amount of equipment needed. This will be things you will have at home, such as dice or a stopwatch on your phone. Number cards can easily be made. Generally, the bigger the space your child can use, the better – they'll be getting more exercise that way.

We hope that you enjoy using this resource with your children.

Yours sincerely

The St. Mary's Team
