

Children returning to school

Dear Parents

As you are aware the deadlines for Key Worker children and for Nursery, Reception, Y1 and Y6 children to reply have passed, on Monday and Wednesday of this week respectively. We are going to extend this deadline to 12 noon today for anyone who has had a last minute change to their circumstances, after this time, anyone who has replied 'No' or 'Possibly' or not replied at all will be treated as a 'No' and will not be allowed into school when their child's class returns. If your circumstances change you will need to apply for your child to return to school and wait for confirmation whether we can accommodate this. This is to ensure that we can keep everybody as safe as possible and can 'lock-down' our bubbles because they are required by Government Guidelines to be limited to 15 children maximum.

Kind regards

Laura Allen
