

After School and Breakfast club

Dear Parents,

We have now uploaded all the balances (as they were once the club usage on Friday was deducted) onto School Gateway.

For those paying with Childcare Vouchers or with the Government Tax -Free Childcare Scheme, the balances have been added. Going forward, as we receive your payments into our bank account we will credit your account in the same way as we have been doing with Parent Pay. We have made bookings for these children per the emails that we have received but will only be making bookings in the future if an individual parent is having difficulties.

For everybody going forward, please continue to book your sessions yourself via the app, you will have to have a balance on your account in order to book. Once we have got through the initial teething problems (that we are still expecting), please be aware that if you have not booked your child into a session you will not be able to use the club. The software will allow you to book one day in advance and if you have a change of plan that requires a last minute booking you will need to call the school office to make a booking for you.

Please note that the Friday afternoon sessions are free of charge until 3pm and this is why they need to be booked separately.

I hope this is clear and if you have any problems please let us know in the office and we will find out how to fix them.

Kind regards

Laura Allen

School Business Manager
