

Breakfast and Afterschool club for people paying with Vouchers

Dear Parents,

As I predicted last week, we are coming across a few little problems with the move across from Parent Pay to Gateway.

Parents who pay via the Childcare Voucher scheme or the Inland revenue scheme will not be able to book onto the system because the balances have not been brought across.

We are unable to do this until this week's usage has been logged and that cannot be completed until Monday morning.

In the interim, please could all parents who pay in this way email the school with their bookings and we will manually book your children onto the system as soon as the balances move across.

Please be assured that your child will definitely have a place in the club.

Thank you again for your patience at this time.

Kind regards

Laura Allen
