18<sup>th</sup> December 2020

Dear Parents,

Just one final letter from me this year (I hope!).

Thank you all for your support, kindness and appreciative comments. They really do mean so much to me and all the staff.

This has been a challenging term and I am sure that January and February will continue to follow this pattern. So please, rest and recharge ready to return in the New Year.

I know we all hope that there will be more positive news next year, as the vaccine is rolled out but we are prepared for a bumpy road ahead.

Please remember that although term ends today we are still obliged to work with Trace and Track if there are any positive cases among children or staff, until Christmas Eve. The Public Health guidance is in our December newsletter and it is re attached to this letter for ease.

As I say, I hope this is the last communication this year.

I wish you all a very Happy and Holy Christmas. Let us hope that 2021 will be healthy and safe for all!

God bless.

Mrs Julia Pearce.
