

# Flu Vaccinations - Thursday 15th October

Hi Everyone,

Apologies for sending out the wrong date yesterday - the vaccinations are **tomorrow the 15th October** not November!

The Nurses will be arriving at 8.30am tomorrow and will enter via the Big Gates and will be based in the Cooking Room. The Nurses hope to be finished before Middyay.

Vaccinations will be **given in each classroom** and the Nurses will wear PPE and will follow strict guidelines. (Please see attached Covid Plan)

Due to the staggered start times and Parental support for Joshua Moulds and Fabio James the vaccinations will be in the following class order:

**Year 3** (Mrs Moulds will wait in the School Carpark and i will call her when the Nurses are ready)

**Year 2** (Fabio's mum will come from home when Nurses are ready)

**Year 5**

**Year 6**

**Year 4**

**Reception**

**Year 1**

Vaccinations for both Fabio & Joshua will be given outside the Classroom door so the Mums can support.

I will give each teacher a Class List highlighting all the children who will/will not be receiving the vaccination.

The nurses will be returning on **Monday 16th November from 12.30pm** for any children who were absent tomorrow who consented to the vaccination.

Many Thanks,

Debbie Clarke
