

Hot Boxed School Lunches

Dear Parents,

Please see attached Hot Boxed School Lunch Menu.

This new menu will commence on **Monday 12th October** and will be starting with the Week 1 Menu.

The lunches will be distributed to classrooms in compostable boxes.

Every day there will be Red Option (First option on each menu usually with meat), a Green Option of a Jacket Potato with filling or a Yellow Option of a cold packed lunch. Each option also includes a choice of veg/salad and also a dessert.

Please advise if you would like your child to change to the Hot Boxed Option from Home Packed Lunch by **Monday 5th October** so that the kitchen staff can have an idea of how many school lunches will be ordered.

Please note that all children in Reception, Year 1 and Year 2 **cannot** choose the Yellow Cold Option as the Government Free Scheme prefers the pupils a Hot Option if available.

Nursery parents please advise which option you would like to choose for your child in advance for all three week meal options.

Regards,

Debbie Clarke
