

# Lockdown update

Dear Parents,

Further to Mrs Pearce's communications last night, we have now received applications for children of Keyworkers and Priority pupils. I have sent a confirmation to all of those parents who have applied, if you believe you have replied and have not received communication from me the please contact me as soon as possible.

Please note that you cannot turn up with your child if you haven't booked a place and received a confirmation after today. We will have to turn you away if you do this, as we will not have sufficient staffing to ensure the safety of your child.

Full remote learning will start from tomorrow as the teaching staff are preparing today.

Any questions or queries can be addressed to us at the office either by email or telephone call. We will be here, albeit in a reduced capacity, and if we don't know the answer to your question we will be able to find out for you.

Stay Safe

Laura Allen, Debbie Clarke & Sharon O'Toole
