Parents Evening

Dear Parents,

It has been a delight to welcome the children back this term. They bring joy to our days in this turbulent time.

This year we will be sending you details of your child's progress in written form on Friday 15th October.

We realise this is a different approach. Staff would have already contacted you if there was a significant concern prior to this.

If you would like a follow up conversation with a member of staff, please email the office with 3 time slots showing your availability. Staff will call between 2pm and 4.30pm on Monday to Thursday 19th to 22nd October for a 5-minute telephone conversation.

If these time slots don't fit in with your schedules, please contact the school with an alternative, which we will endeavour to accommodate.

If feasible, we will look to run a face-to-face parents evening in the Spring Term, but at this stage it is too early to confirm dates and logistics.

Much of this half-term has been helping your child settle back into school and make them feel happy and safe.

We are proud of the children's resilience, the significant improvement in attendance over the term and once again thank you for your co-operation and support.

Yours sincerely

Julia Pearce
Head Teacher
