Melbourn Road, Royston, Hertfordshire SG8 7DB Tel: (01763) 246021

4th September 2020

Dear Parents,

Welcome back!

It has been wonderful to see smiling faces filling the school. The children are settling into new routines, bubbles, frequent handwashing and learning with their friends.

Thank you for your patience and understanding in following our drop off and collection procedures, which are based on the guidance from Government.

A few polite reminders to please adhere to:

- Arriving punctually (please not early to drop off and collect) this is to keep the integrity of the bubbles avoiding (adults especially) mixing.
- If late, please call the office and a member of staff will meet you at the allocated year group gate.
- Please only email / telephone the office as we are only allowing visitors by appointment.

All the controls we are implementing are measures to keep our children and whole school community safe.

God bless

Julia Pearce
Head Teacher
